

# How to get to Actelion Allschwil

## INSTRUCTIONS:

### PLANE / TRAIN / TRAM / BUS / CAR

#### By air

The international EuroAirport Basel-Mulhouse is located close to Actelion Allschwil. Please be sure to take the Swiss passport control exit. You can either take a taxi or public bus No. 50.

#### By bus from the EuroAirport

Take bus No. 50 in the direction of the SBB train station, to the "Kannenfeldplatz" stop. Then cross the street to take bus No. 38 in the direction of Allschwil, to the "Im Brühl" stop. Continue to walk along "Hegenheimermattweg" to Actelion's main entrance at number 91, or turn right into "Hagmattstrasse" and next right into "Gewerbstrasse 3" to enter the Clinical Development building.

#### By train

There are two railway stations in Basel – the Swiss and French station "SBB", and the German station "Badischer Bahnhof". The SBB is the closest to Actelion. From the SBB you can either take a taxi or use public transportation.

#### By tram or bus from the SBB railway station

Take tram No. 1 in the direction of "Dreirosenbrücke", to the "Kannenfeldplatz" stop. Then cross the street to take bus No. 38 in the direction of Allschwil, to the "Im Brühl" stop. Continue to walk along "Hegenheimermattweg" to Actelion's main entrance at number 91, or turn right into "Hagmattstrasse" and next right into "Gewerbstrasse 3" to enter the Clinical Development building.

#### By tram or bus from Basel City / Schifflände

Take bus No. 38 in the direction of "Allschwil Dorf" to the "Im Brühl" stop. Continue to walk along "Hegenheimermattweg" to Actelion's main entrance at number 91, or turn right into "Hagmattstrasse" and next right into "Gewerbstrasse 3" to enter the Clinical Development building.

#### By car coming from France

After crossing the border, turn right into "Flughafenstrasse". Do not continue straight in the direction of "Basel City", but turn right into "Luzernerring", in the direction of "Basel Süd". At the second traffic light, turn right into "Hegenheimerstrasse". Take the second street to the left, which is "Belforterstrasse". Continue straight on – the street changes name to "Hegenheimermattweg" when entering Allschwil, and continues past various sports grounds on the left, and allotments on the right. Continue to Actelion's main entrance at number 91, or turn right into "Hagmattstrasse" and next right into "Gewerbstrasse 3" to enter the Clinical Development building.

#### By car coming from Bern / Zürich

Take motorway N2 when approaching Basel and follow the "EuroAirport" signs. After re-crossing the Rhine, take the exit in the direction of Allschwil. At the second traffic light, turn right into "Hegenheimerstrasse". Take the second street to the left, which is "Belforterstrasse". Continue straight on – the street changes name to "Hegenheimermattweg" when entering Allschwil, and continues past various sports grounds on the left, and allotments on the right. Continue to Actelion's main entrance at number 91, or turn right into "Hagmattstrasse" and next right into "Gewerbstrasse 3" to enter the Clinical Development building.
